Dedication

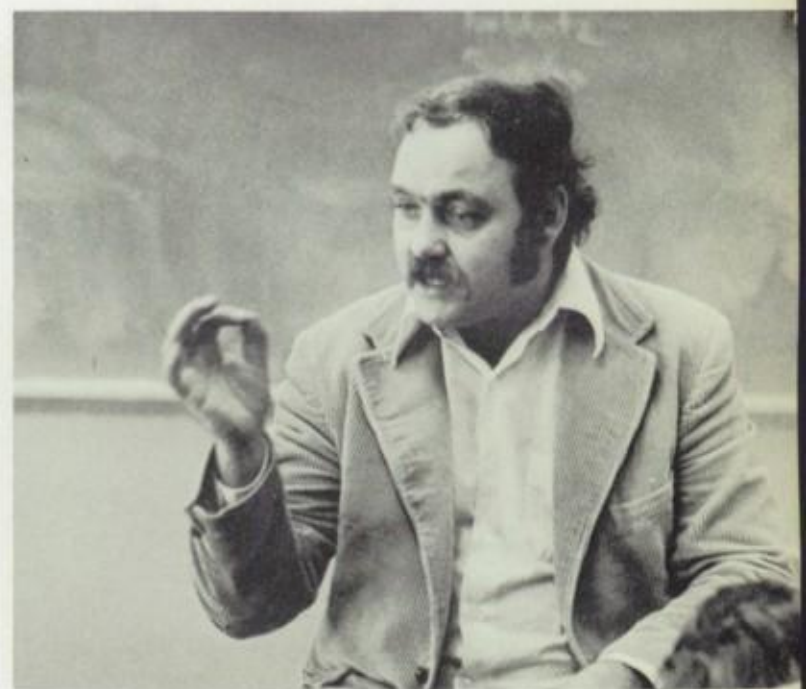

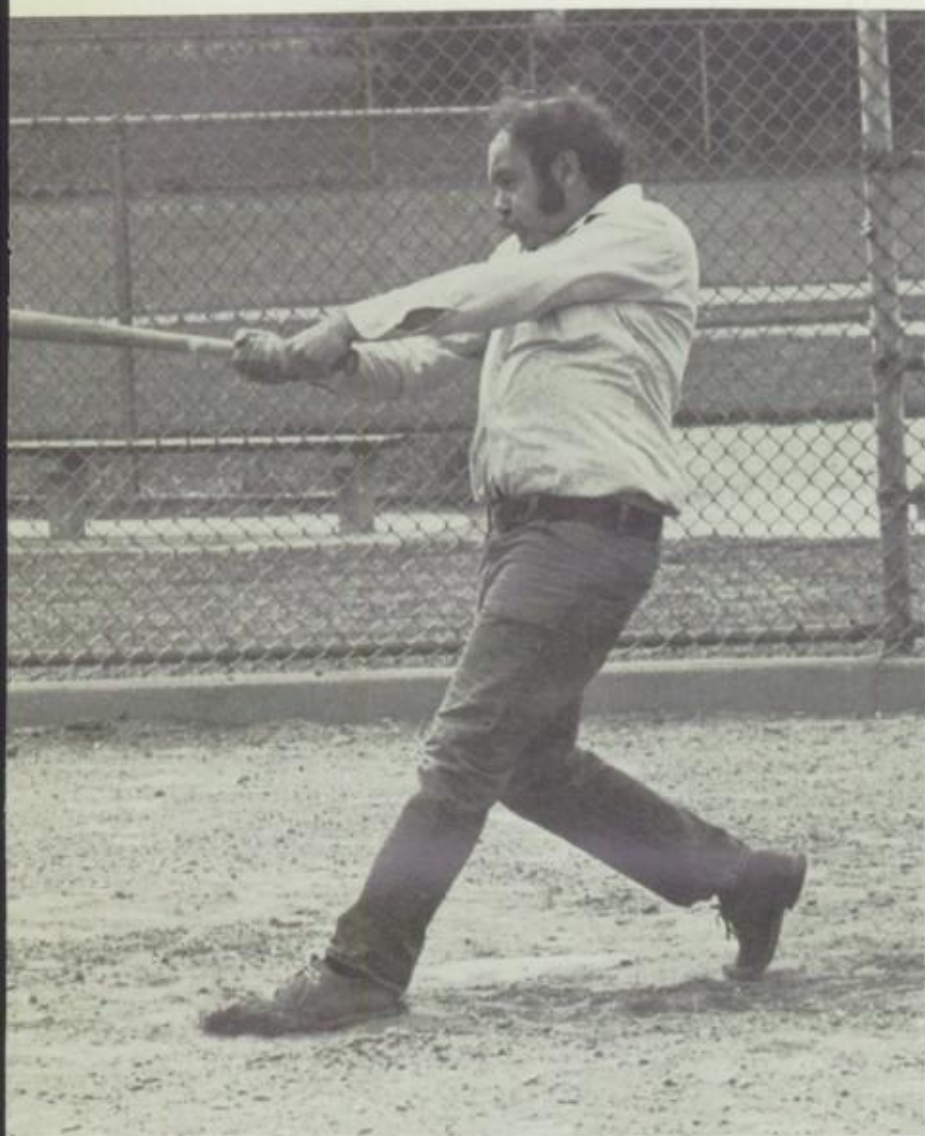

When you're weary, feeling small
When tears are in your eyes, I'll dry them all;
I'm on your side, when times get rough
And friends just can't be found,
Like a bridge over troubled water
I will ease your mind,
Like a bridge over troubled water
I will ease your mind.

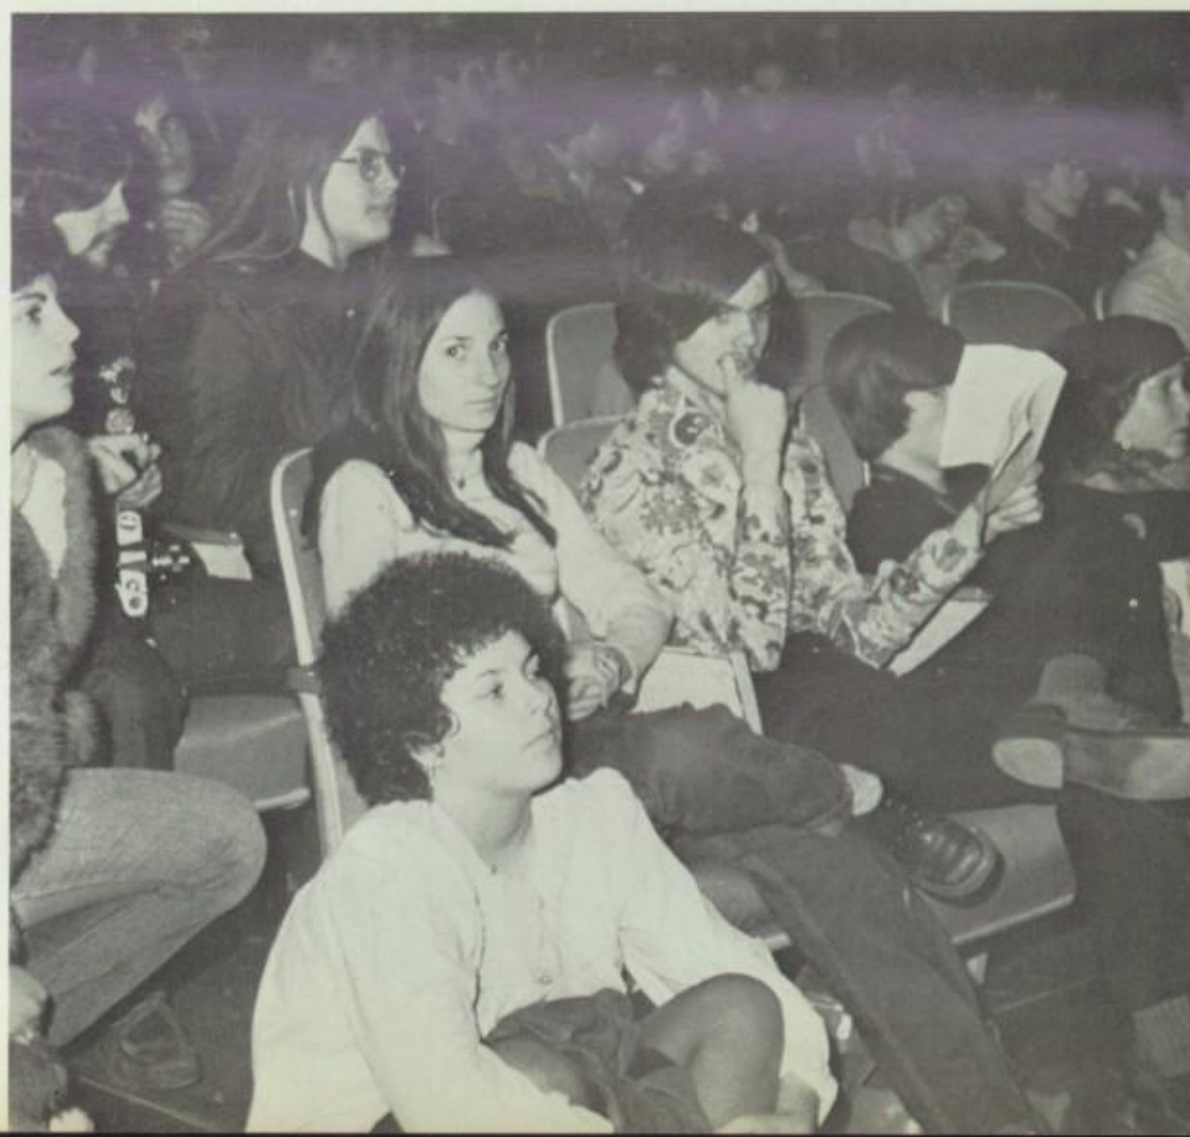

Simon and Garfunkel

It is with great pride and affection that we dedicate this yearbook to our friend and advisor, Mr. Peter O'Neill.

Throughout the years he has guided us with sincerity and devotion. His warmth and sensitivity will always be remembered in our hearts and for this reason this yearbook is dedicated to him.

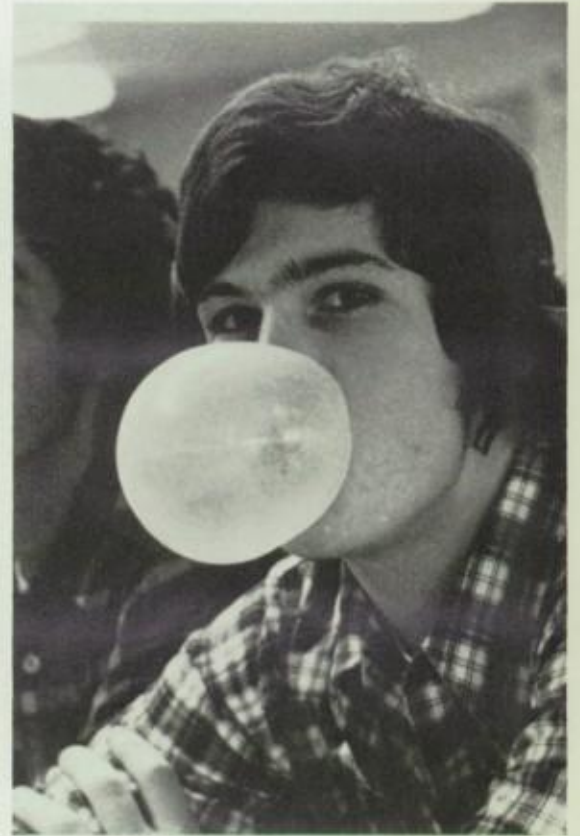

To My Friend

I love you not only for what you are, but for what you are when I am with you. I love you not only for what you have made of yourself, but for what you are making of me.

I love you because you have done more than any creed could have done to make me good, and more than any fate could have done to make me happy. You have done it without a touch, without a word, without a sign. You have done it by being yourself. Perhaps that is what being a friend means after all.

Faculty & Administration

Listening to your students or other people,
you'll find where they are. Where they are
is where you begin to teach.

Seniors

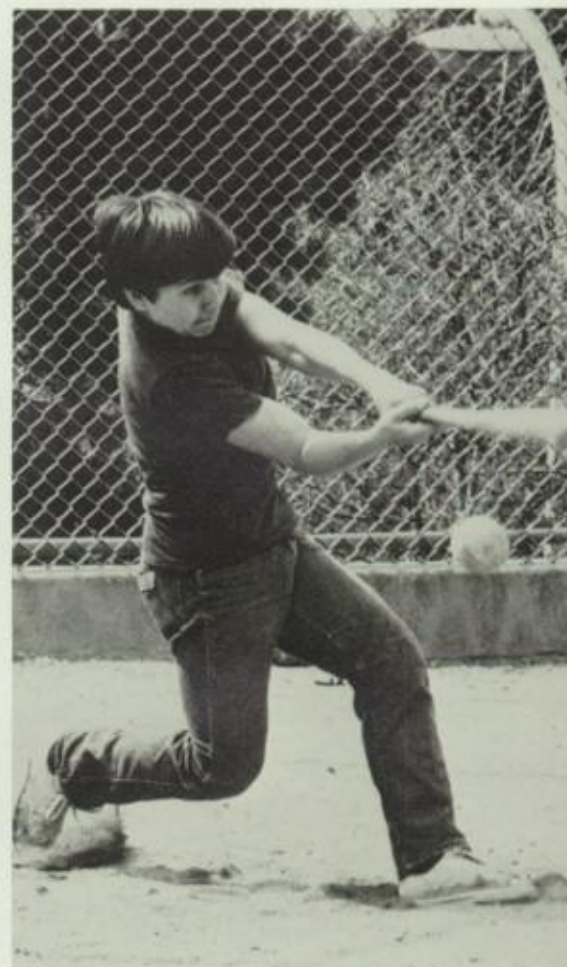

Times change, and we with time, but not
in the ways of friendship.

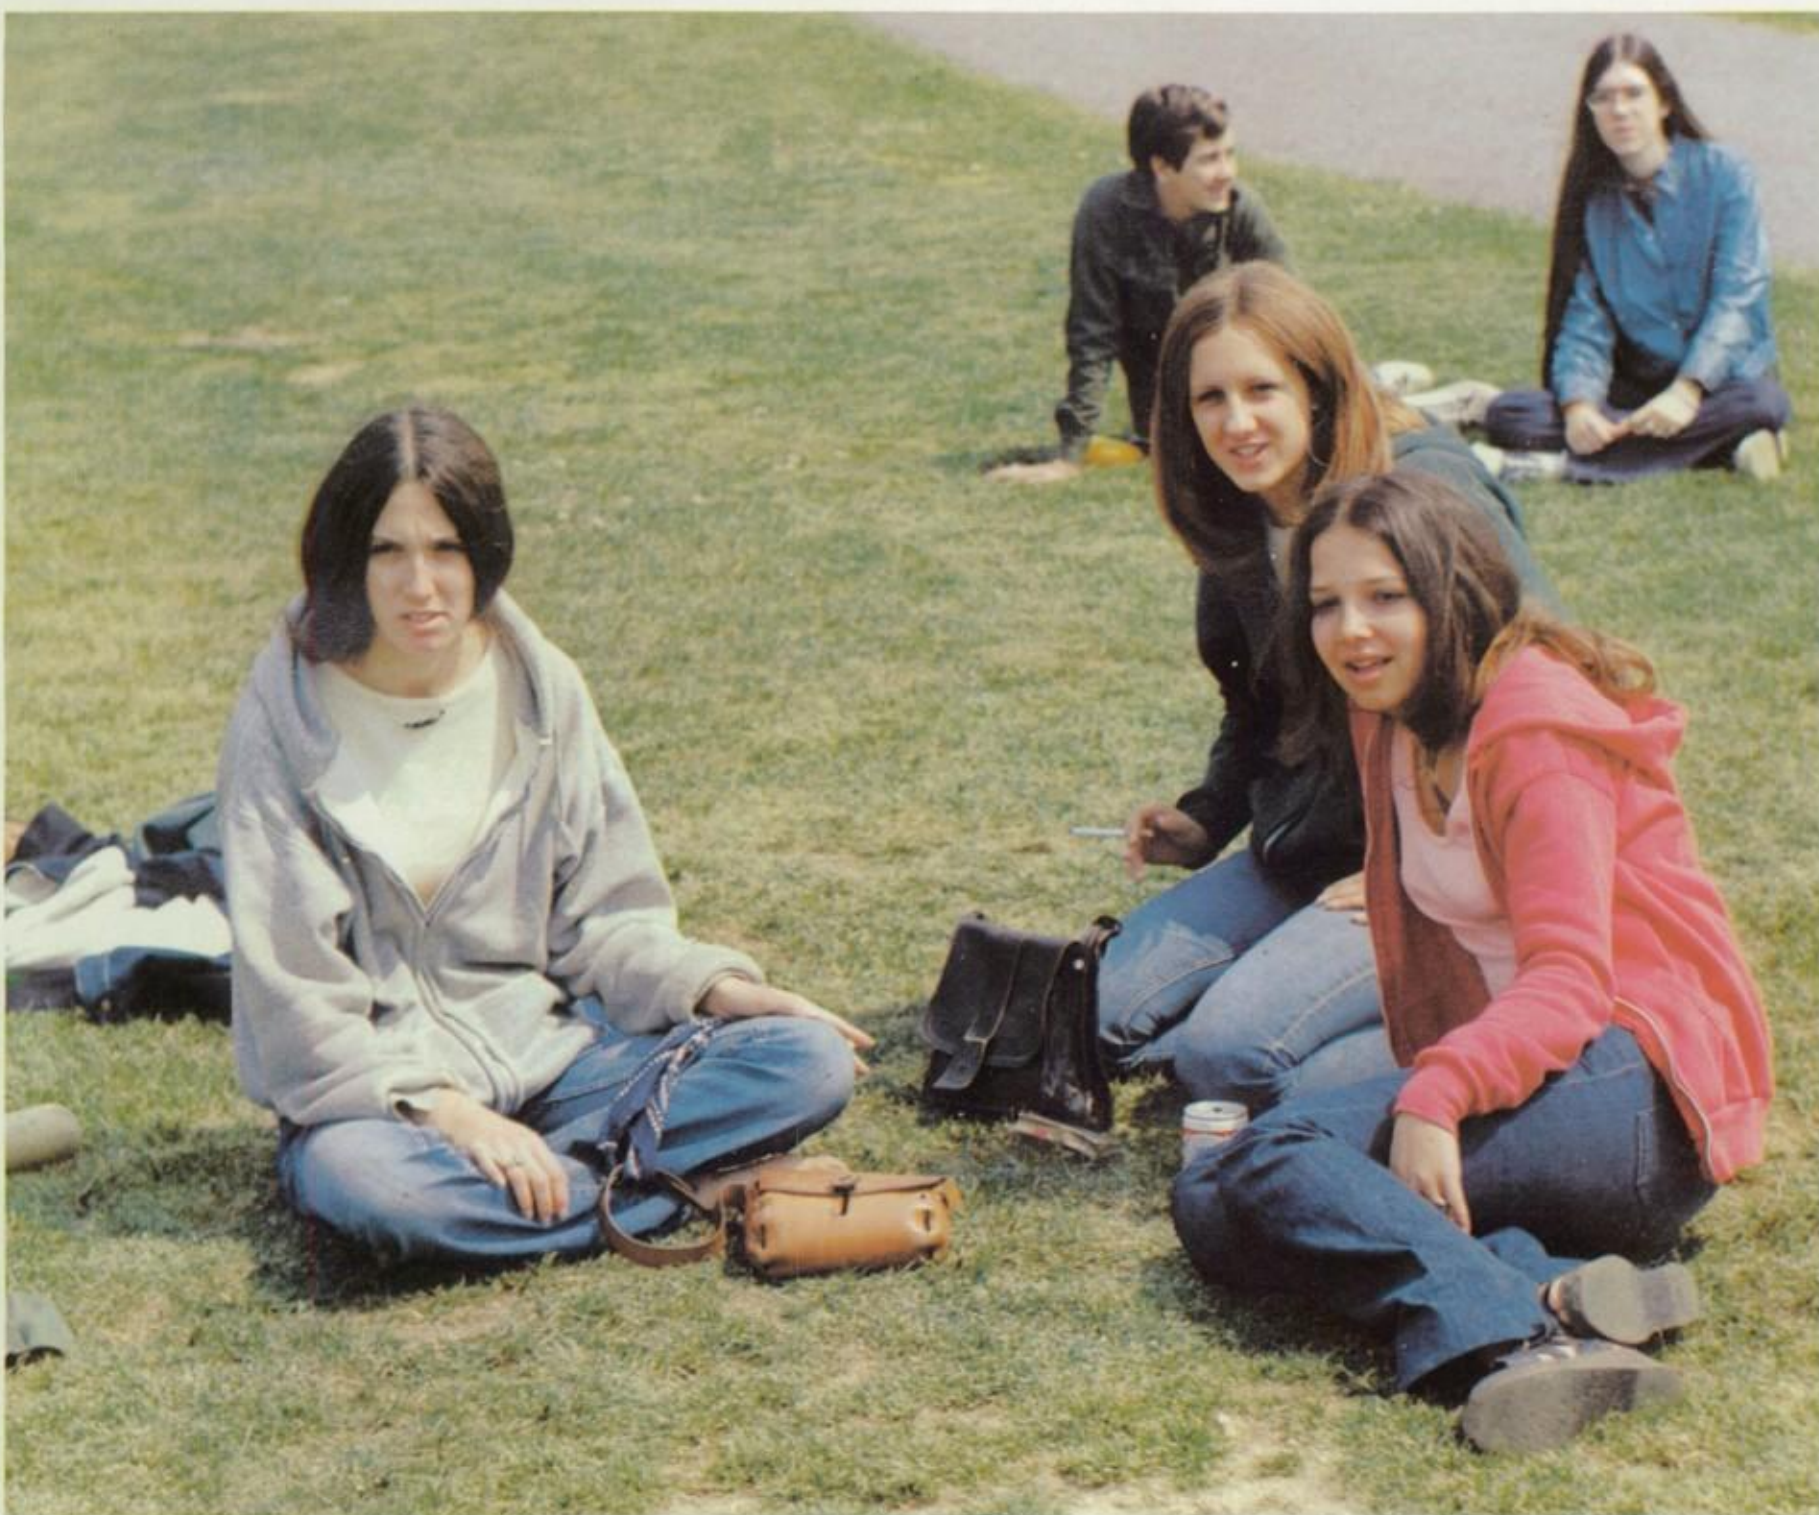

Junior Day

May 9, 1974, was a beautiful day. The weather was warm and clear. On this day, some 250 students picnicked at Christopher Morley Park in Manhasset. Here students and faculty alike participated in a wide variety of activities, which included volleyball, soccer, softball, frisbee and basketball. Everyone was satisfied with the abundant food and drink and the music provided by the band.

Senior Fair

On October 18 and 19, 1974, the Senior class held its first major event of the year: the Senior Fair. Everybody enjoyed themselves, both the people who attended the Fair and the seniors who worked there. Despite the extremely cold weather, the Fair was a complete success.

Senior Officers

L-r Standing: Mrs. Reinhardt, advisor; Alan Steinman, G. O. representative; Beth McCauley, secretary; Gail Bardenhagen, treasurer; Mr. O'Neill, advisor. *Seated:* Alison Ross, president; Michele Lowe, vice president.

Senior Council

The class of '75 is an exceptional class. In the four short years that our class has existed at M.H.S., we have proved our ability to accomplish many things.

For example, we have been truly successful in many money-making endeavors. As freshmen we sold subscriptions to the Massapequa Post. In our sophomore year, we sponsored a magazine drive. Our Sock Hop and Senior Fair proved quite successful as well.

Also our class initiated a school beautification program. Tables and benches were built and set around Polio Pond. Garbage cans were painted and distributed around the school. This program continued throughout our stay at M.H.S. and we hope that it will continue beyond our graduation.

Although we will be leaving Massapequa High, our class will undoubtedly be long remembered.

IN MEMORY OF

REGAN GESSWEIN

How can anyone describe the effect that a smile can have? What can you say about someone whose whole being radiated happiness and love for life?

In addition to Regan's many thoughts and abilities, she gave something of herself to everyone she came in contact with — a precious feeling that life itself is vital and worthwhile.

How many of us can say that we know someone who is simply beautiful in every respect? Those of us who knew Regan are able to say that we have had this experience . . . that we knew someone whose love and warmth will be carried with us forever.

— Eve Cauley
Bill Kovacsik

In Appreciation

The yearbook staff would like to express their deep thanks and appreciation to these people for their kind help during this past year.

We extend our appreciation to Mr. Wurthmann for his assistance in financial matters.

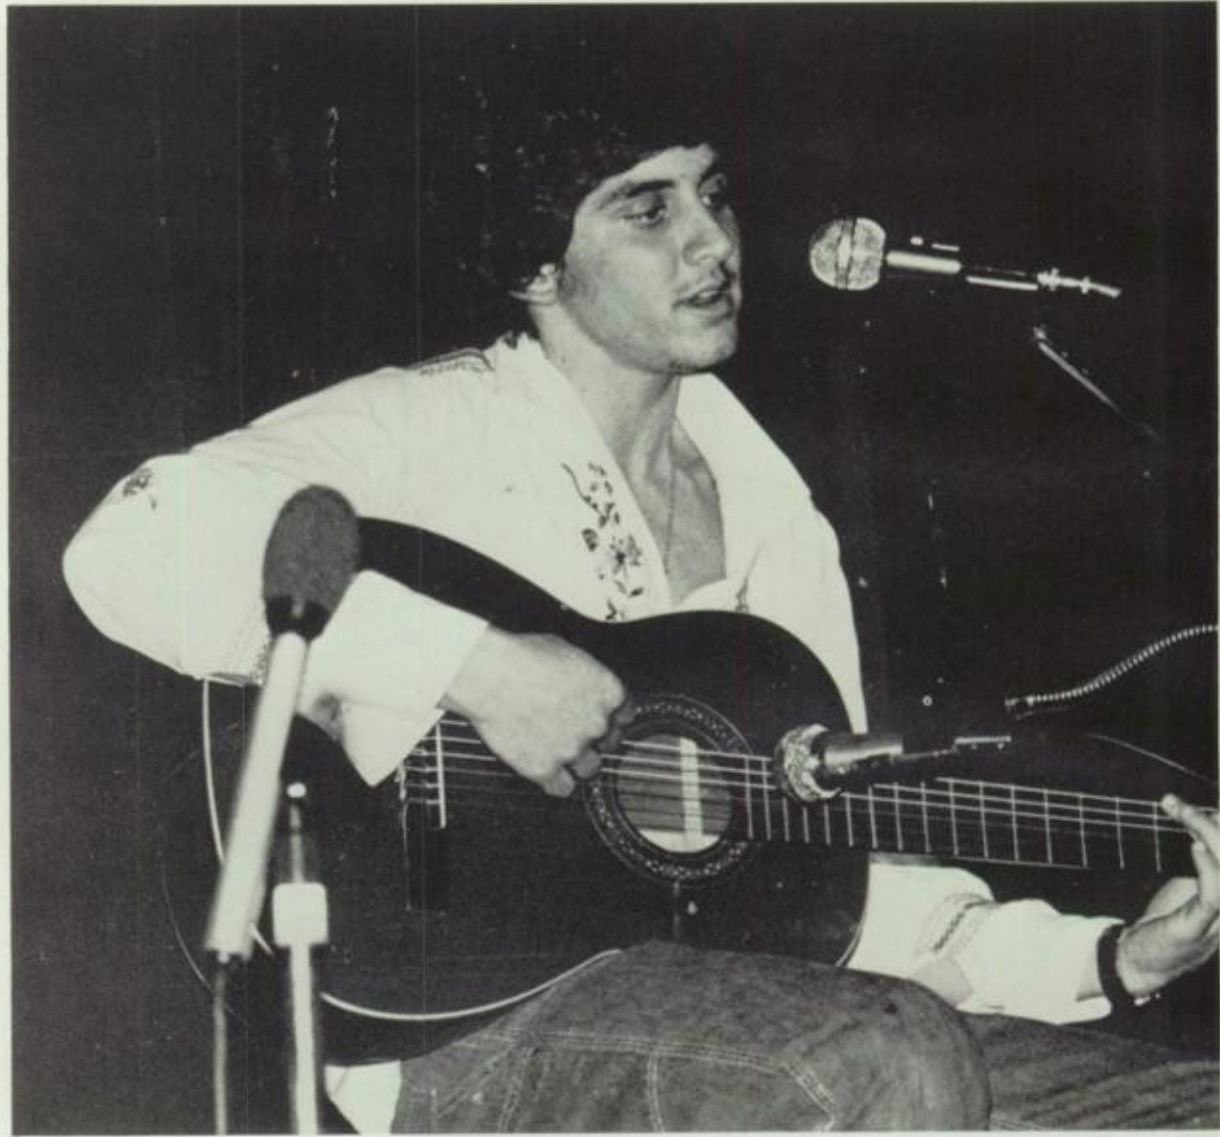

Also, a very special thanks to Mrs. Amy Reinhardt — without her advice, assistance and consolation, this yearbook would not be possible.

Junior Council

The Junior Class has had the second in the history of Massapequa High the great idea of a Sock-Hop! This year too, it proved to be a fantastic success. Future plans include a Magazine Sale as well as a WGBB Basketball game. Most exciting and coming up is the Junior Prom. First S.A.T.'s were taken, so now the Juniors realize what is in store in the coming year. Also in the coming year are the Senior Fair, Variety Show and Prom. Best of luck for a great year.

Sophomores

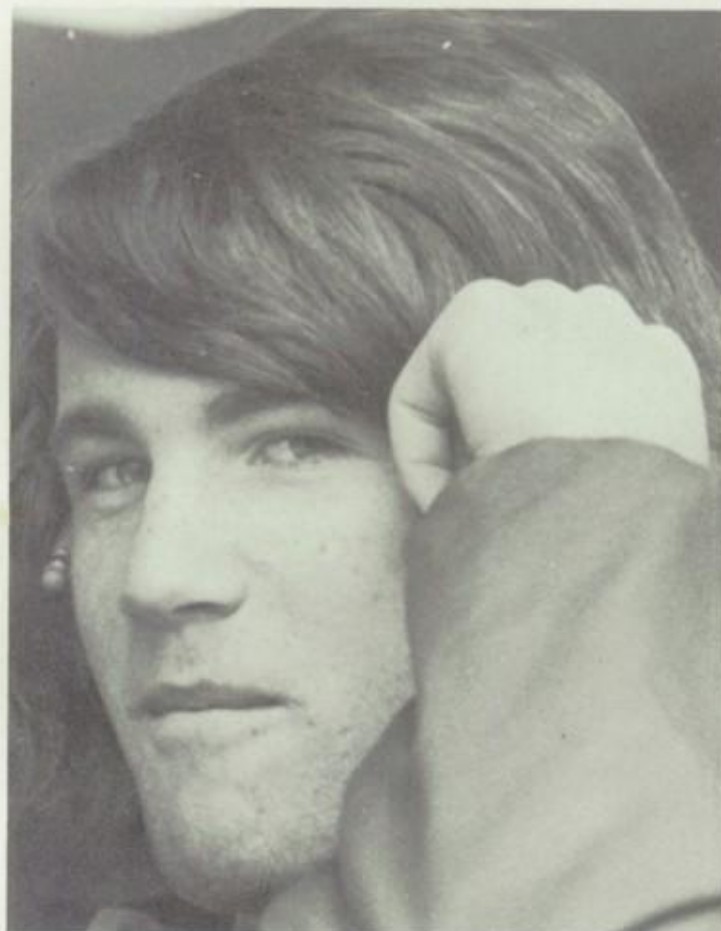

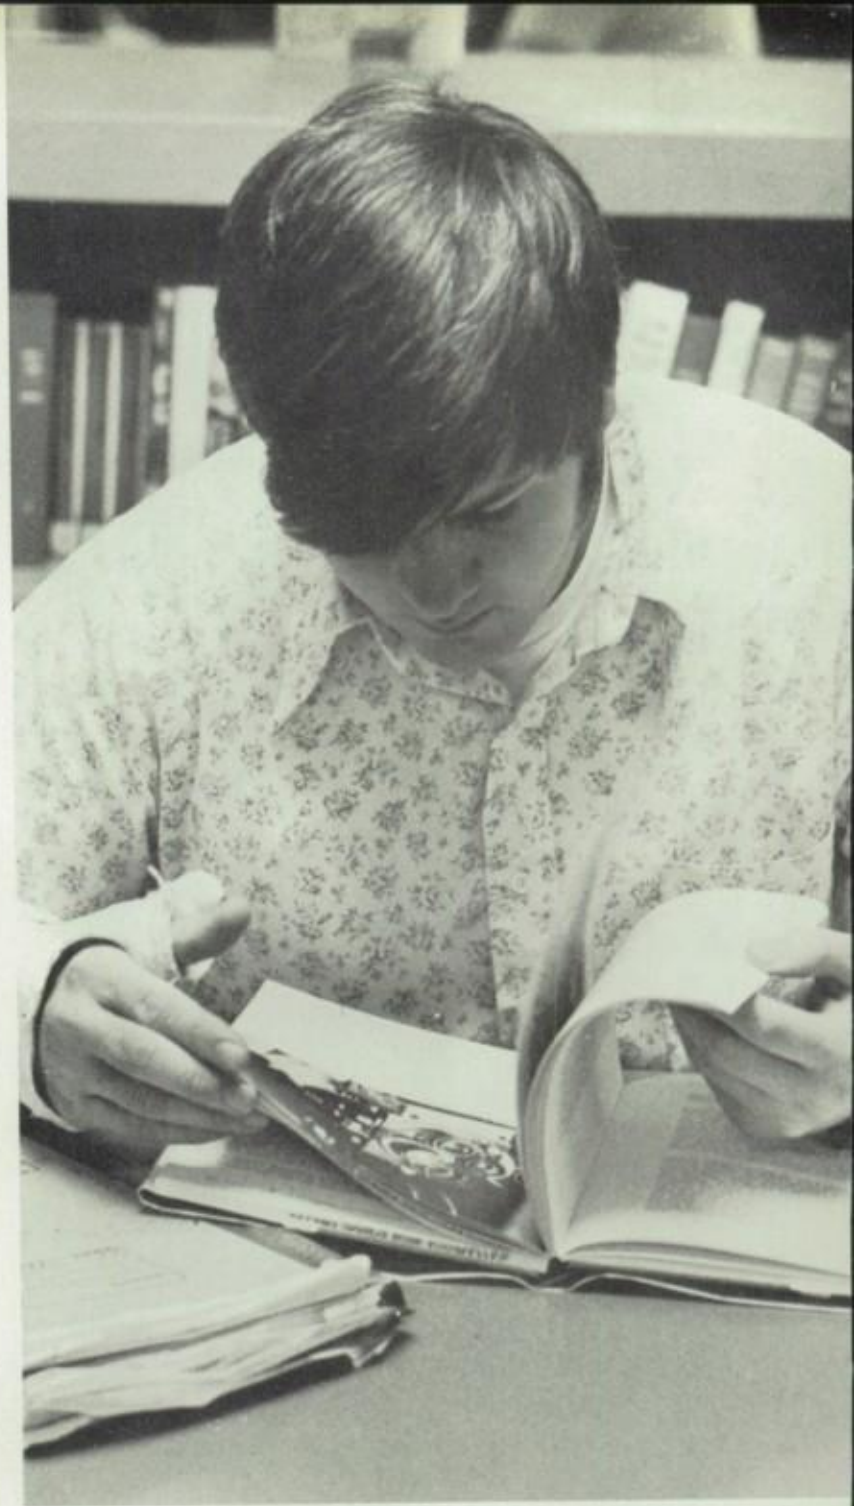

Sophomore Class Officers: First Row: Ron Fugelsaog, President; Amy Goldfarb, Secretary. Back Row: Chris Von Felde, Vice President; Larry Dember, G.O. Representative; Rose Doran, Treasurer.

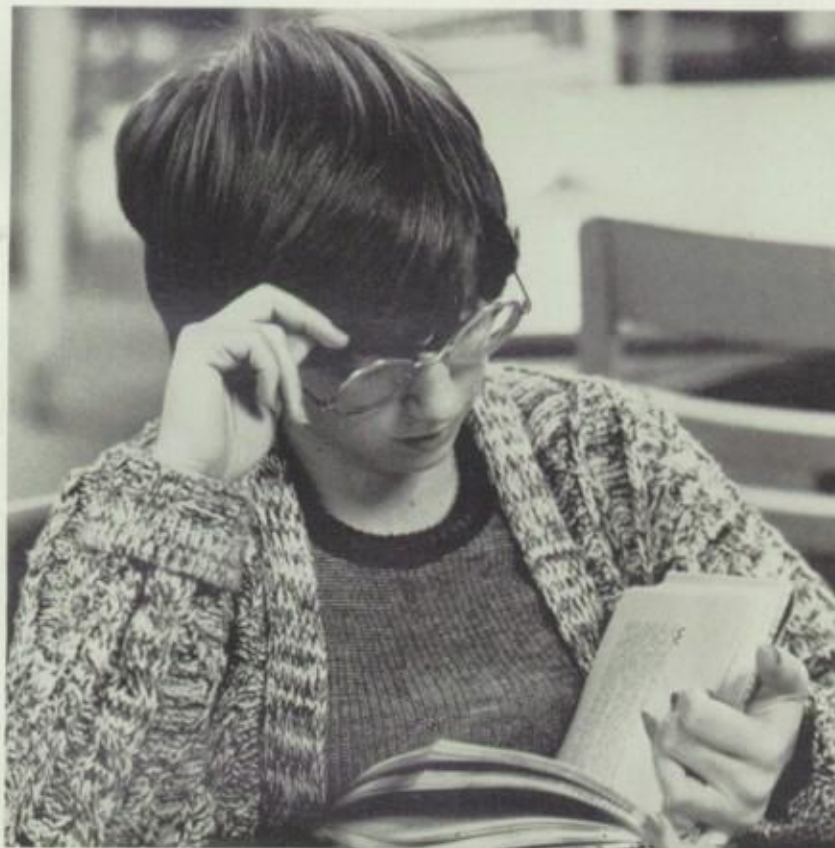

The hard-working Sophomores had great success this year with their Pancake Breakfast before the Berner Game. It brought in a large profit for the class as well as making many hungry people happy. Earlier in the year they sold "Class of '77 T-Shirts." Night of the Living Dead and a Marx Brother's feature were two film presentations shown which provided great entertainment for all. The Class of '75 wish you the best of luck in your remaining years to come — you deserve it!!!

Advisors

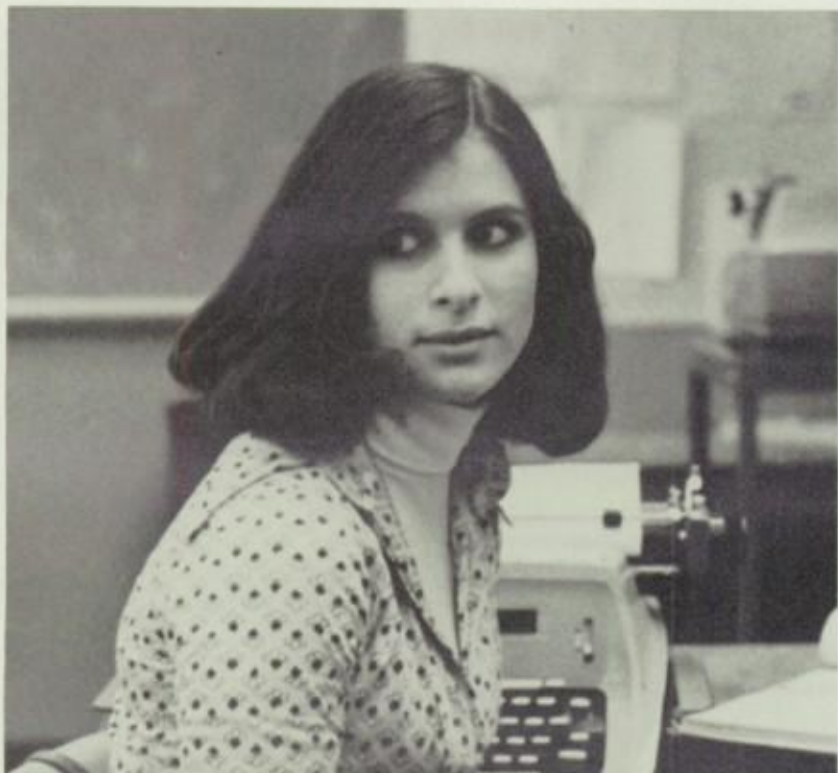

Freshmen

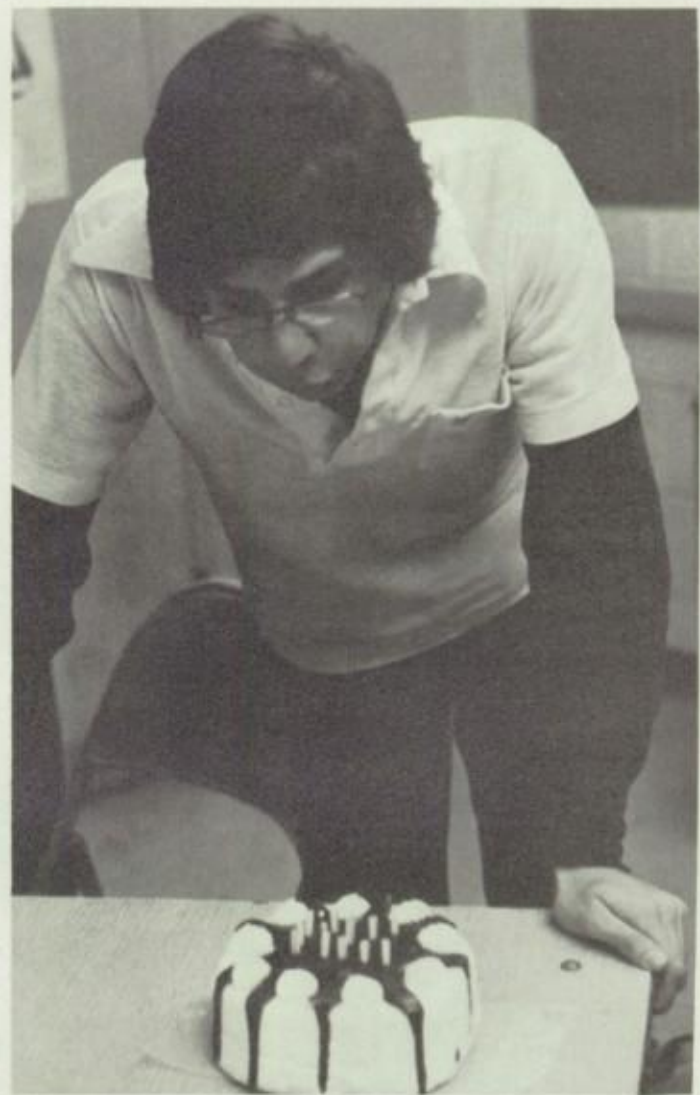

Freshman Officers: l. to r.: Steve Abbate, Gary Slutsky, Troy Pappas (not shown, Mary Ellen Suhrhett, Craig Zlotick) Advisors. Miss Muenzen, Mr. Ketcham.

The Class of '78 has three more years to enjoy themselves in Massapequa High School. They are organizing many exciting activities for the near future, in which they and other classes may participate in. They are hopefully looking forward to fulfilling years to come.

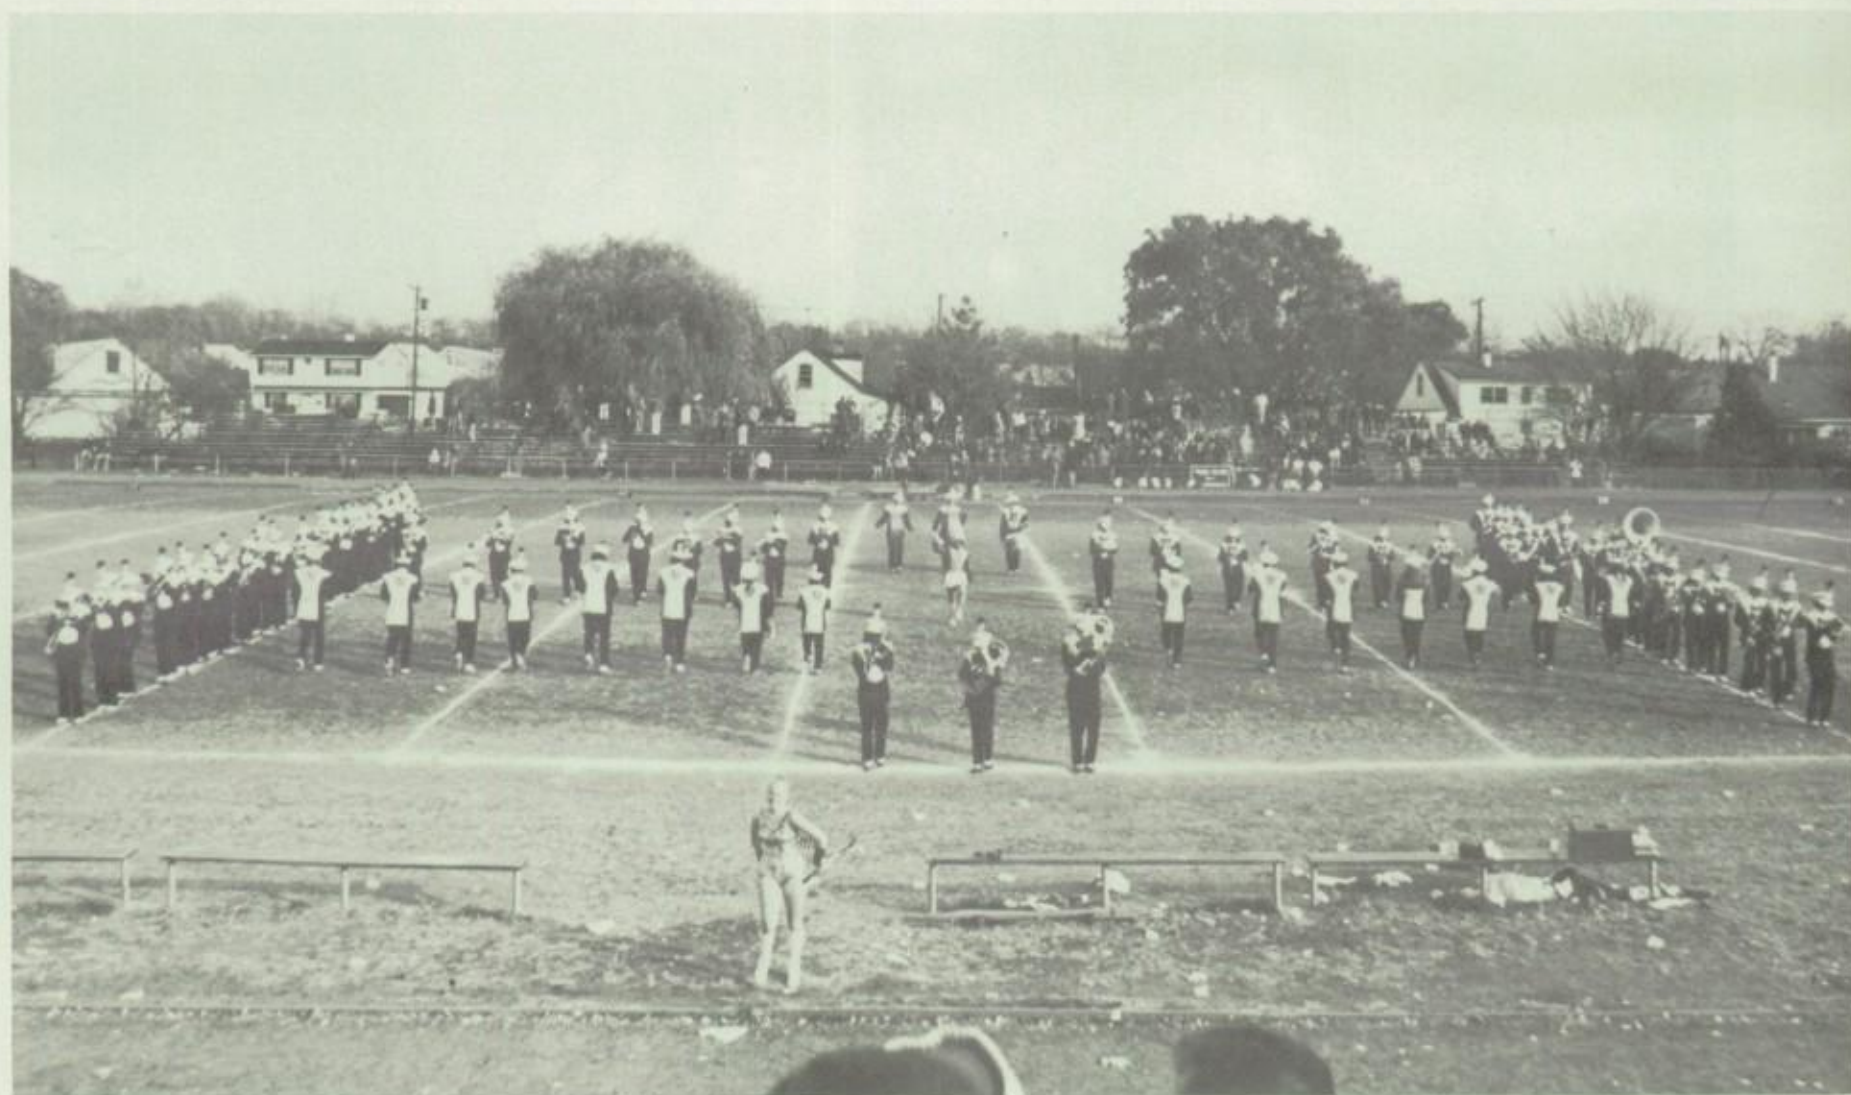

Activities

Real joy comes not from ease or riches or from the praise of man, but from doing something worthwhile.

Putting together a yearbook is not all easy work. There are plenty of pictures that must be taken on time, deadlines that must be met, and many times when the staff must remain after school until all hours before the finished edition of a yearbook is ready to be handed out to the students.

The enthusiastic participation of this year's N.H.S. members in selling soda and obtaining subscriptions to the N.Y. Times for teachers and students has paid off. With the money the club has earned, they are going to see the Broadway show, Pippin.

The tutorial program has been very helpful to students.

In addition to the present Constitution, a new amendment has been suggested which will require prospective members to have an interview along with the standard admission policy of having a B+ average.

Last year's policy of obtaining discounts at various stores is still in effect this year. Along with that, however, prospective G.O. card members had an opportunity to win two tickets to a Jet Game, two tickets to a New York Knick basketball game, and two tickets to a designated rock concert.

O. O. MEMORANDUM

The O. O. would like to take this opportunity to welcome everyone back to school, especially Massapequa High's new members, the Class of '76.

Once again, the O. O. will be trying to make the students' lives at M.H.S. a lot more enjoyable. Again this year the O. O. has instituted a new program concerning the O. O. card. The O. O. card has been expanded beyond the walls of M.H.S. to the stores of Massapequa and Massapequa Park. Now, students bearing a O. O. card will be able to get tremendous DISCOUNTS at more stores than ever before, besides the usual discounts at M.H.S. Here is how the O. O. card will benefit you: (For the low price of only \$2.50)

1. Permit you into all M.H.S. sporting events free of charge

1. Football
2. Basketball
3. Wrestling

2. Give \$1.00 discount off the purchase of yearbooks.

3. Give discounts at all O. O. supported events and at most school events.

It's Academic

With many of last year's members returning this year, the It's Academic team once again faced hard competition. The team, consisting of Corey Langer, Kevin Given, Bob Koppel, and Debbie Dreyfuss, won its first match but lost the second. This loss cost them the chance to win the championship, but this year's juniors are eager to return next year.

Youth Council

The youth council this past year has been an active one, accomplishing all they set out to do. Among their various achievements there appears: two square dances, the recreation program on week days and Saturdays, the Battle of the Bands, donating turkey to the underprivileged, and the giving away of tickets to an ice hockey game. All in all, a very successful year.

This year, two more exchange students visited Massapequa High School. Roger Cherix from Switzerland and Kari Oiseth from Norway stayed with two M.H.S. students for twenty-four days.

Kari is really enjoying her stay here in America. Her only fear is going out alone at night — a fear she doesn't experience in Norway.

Nanette Woodworth and Kari Oiseth

Roger Cherix (photo not available), who is staying with Jimmy Karpen, is also enjoying himself here. One major difference between America and his native country is that we use cars much more frequently. While many students drive to school in the winter, students in Switzerland ski to school.

Despite the fact that the Chiefs had two losses and one tie on their season record posted against five wins, Massapequa was once again a prominent power in Nassau County. The Chief offense, which was at times explosive, averaged 24 points a ball game. The Chiefs also registered two shutouts, blanking Valley Stream Central 16-0 and romping Freeport 36-0. Art Pulsinelli proved to be one of the finest running backs on Long Island. This talented speedster behind a fine offensive line gained well over 1000 yards rushing and scored 17 touchdowns. In his two years with the Chief varsity, Pulsinelli gained close to 2000 yards rushing and he scored 30 touchdowns.

The Chiefs were rampant with talent as five players gained All-Division honors. They were Pulsinelli, Craig Keefer, Hal Levy, Keith Geoghan and Tom McCoullough. Pulsinelli and Keefer were also named to the All-County team. Unfortunately, the Chiefs did not win their division title. In the season finale that would decide the division crown, the Chiefs lost a heart-breaker to their crosstown rivals, the Berner Bisons, 14-12.

Last year the Massapequa High School varsity Chiefs stumbled through a very disappointing season. This year under second year coach Nick Verini they have really turned things around. The Chiefs play a disciplined style of basketball and coach Verini is a firm believer in the team concept of basketball and it is working. The Chiefs are not only headed for the playoffs but they have a legitimate shot at taking the Division Title.

One big reason for the Chiefs vast improvement from last year has been the play of sophomore Harry "Fritz" Rote. It is comforting to know he will be returning for two more years of Varsity competition. Seniors Craig Keefer, Gary Marcus, Frank Lipari, Jeff Raisen, Hal Levy and Artie Pulsinelli have made the Chiefs a well rounded team. Larry Frost and Chris Zagaja, two juniors, have also made impressive contributions.

Anyone who knows anything about the Massapequa Chief Varsity Wrestling team knows that under the expert coaching of Al Bevilaqua they are a team with talent and pride. This year the Chiefs handled most of their opponents with relative ease. Despite this the Chiefs, for the first time in a number of years, failed to qualify for the playoffs.

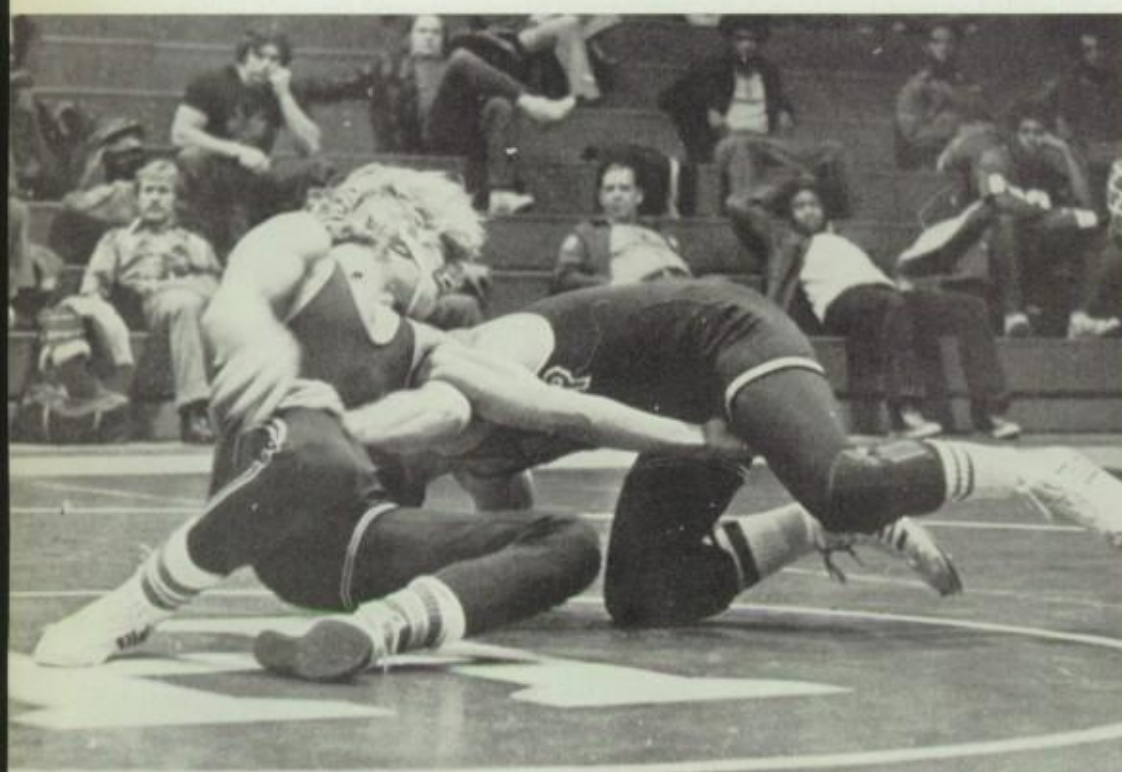

In the biggest match of the year the Chiefs came up against the infamous Bellmore Kennedy Cougars. The Chiefs went into the match with victory on their minds. But their valiant effort ended in frustration as the Cougars nipped them 22-21 only after a Chief grappler was called for injuring a Cougar wrestler on an illegal hold.

The MHS Winter Track team had a good season this year, although injuries to key runners at various times never allowed the team to live up to its full potential. Junior Steve Gubelman paced a good distance crew that included Rich Motley, Gordon Ferguson and John Turner. The sprinters, led by juniors Al Santaniello and Matt Dowd, included hurdlers Marc Wind and Mike Lowe, plus John Cassor.

A curious twist to the season was provided by the fact that the female runners, one of the best girl squads on the Island, netted far more than the boys. They were Dori Boudreau, sophomores Elen Duggan, Gloria Kostyrka and Laurie Nagel, and freshmen Heidi Edelberg and Kady Mehringer.

Last year's Spring Track team had a fine Season, placing fourth in the Sectional Championship. Outstanding performances by last years seniors Rich Brown in discus, Bob Fenstermacher in shotput, Greg Miller in the 220 and 100 yard dash and Ed Ennis in all events added to the season's success. Ennis proved to be a great asset to the team as "Best All Around." This year's talent includes seniors Mark Wind, Joe Sinacore, Gordan Ferguson, John Turner and Art Pulsineli. Pulsineli is expected to be this season's "Best All Around."

The 1974 Chiefs utilized excellent pitching and steady defense to compile a seasonal record of 20 wins and 8 losses. Our league II record (13-5) gave us second place behind Mephram, the eventual Nassau County and Long Island champion.

During the SSAL playoffs, the Chiefs won three consecutive games including Frank Lipari's perfect game against Berner. Our Season came to an end when we were defeated 2-0 by New Hyde Park in the SSAL semi-finals.

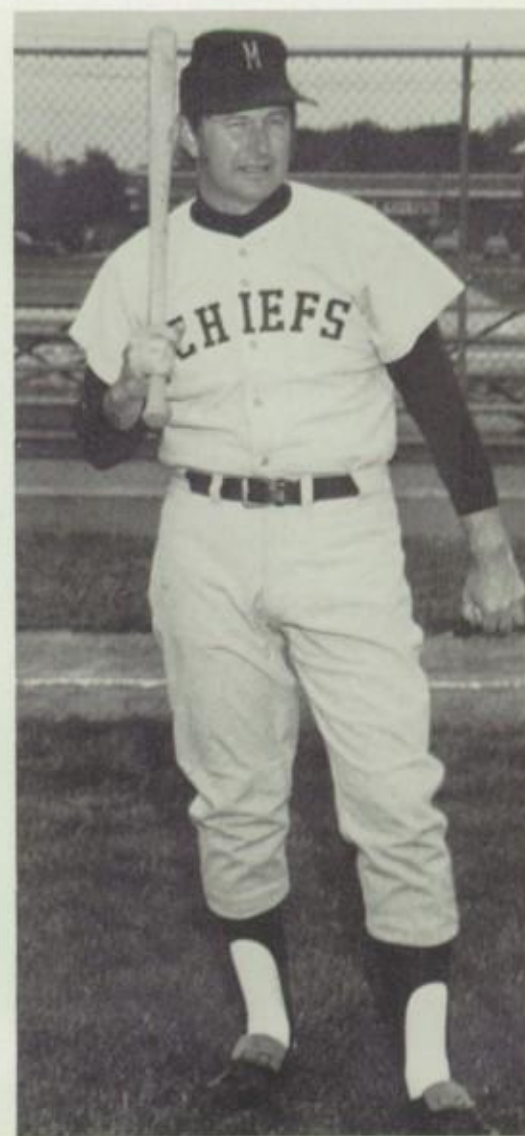

Although team play was evident through the season, several players receive individual honors. David Malkamus was selected for the All County team and Malkamus, Barry Zankel, and Steve McNamee were chosen for the All Division team. All Division honorable mention went to Michael Cantor, Richard McCormick, Craig Keefer, and Frank Lipari.

For the Massapequa Chief varsity lacrosse team, 1974 was quite simply a super year. It was the pinnacle in Coach Roman (Pat) Oleksiak's nine year coaching career. Oleksiak secured his 101st career victory compared with only 34 losses. More important though was that the Chiefs won their first South Shore as well as Nassau County Championship ever. In the battle for the Long Island title the Chiefs were defeated by Ward Melville High School, Suffolk County's finest, by a score of 15-9.

Massapequa boasted some very impressive talent including two high school All-Americans in Mike O'Neill and Craig Jaeger. Tom Marino was Selected to the All-County squad. With some blue chip talent returning this year the Chiefs will be looking to defend their Nassau County Crown.

It is the highest award a girl can receive in athletics.

The 19th Annual Sports Banquet was held at Olsen's Inn in May of 1974. Awards were presented for a number of achievements including the amount of points earned in interscholastic and intramural sports and the best all-around athlete in each sport. Mr. Rizzi, the guest speaker, helped make the evening an enjoyable one.

The MHS Field Hockey Team under the direction of Miss Hoffman achieved a winning record of 5-2-2. They did this despite the disadvantage of having to play all but one of their games away because of the poor condition of the MHS field. Barbara Arvanitis provided the inspiration for the team with her fantastic stickwork and Kim Colondona and Nancy Pulver led the team in scoring goals. Seniors Jane Finston, Jane Forte and Lorraine Serverian also put in a great effort on offense and seniors Lori Cohen, Debbie Muller and Wynne Shaw effectively backed them up on defense with Mae Silverman in the goal cage.

Lacrosse

Girl's lacrosse is becoming an increasingly popular sport with more girls participating in MHS last year than ever before. Lacrosse is an exciting, fastmoving sport that not only provides the thrill of playing on a team but also the challenge of learning the intricate skills needed to successfully play the game. Last spring the MHS Girl's Lacrosse Team had a winning season with last year's graduating seniors and this year's returning seniors Jane Forte, Lorraine Serverian, Pat VonGlahn, Beth McCauley and goalie Mae Silverman.

I hope the day will be a lighter highway,
For friends are found on every road.
Can you ever think of any better way
For the lost and weary travelers to go?

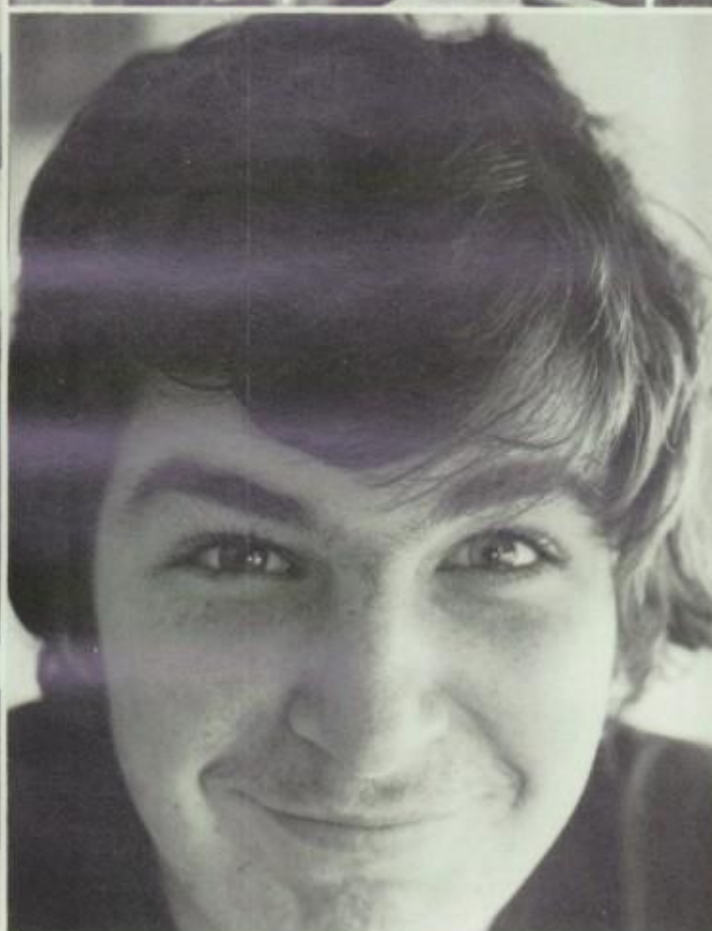

Makin' friends for the world to see;
Let the people know you've got what you need.
With a friend at hand you will see the light.
If your friends are there then everything's all right.

It seems to me a crime that we should age;
These fragile times should never slip us by.
A time you never can or shall erase
As friends together watch their childhood fly.

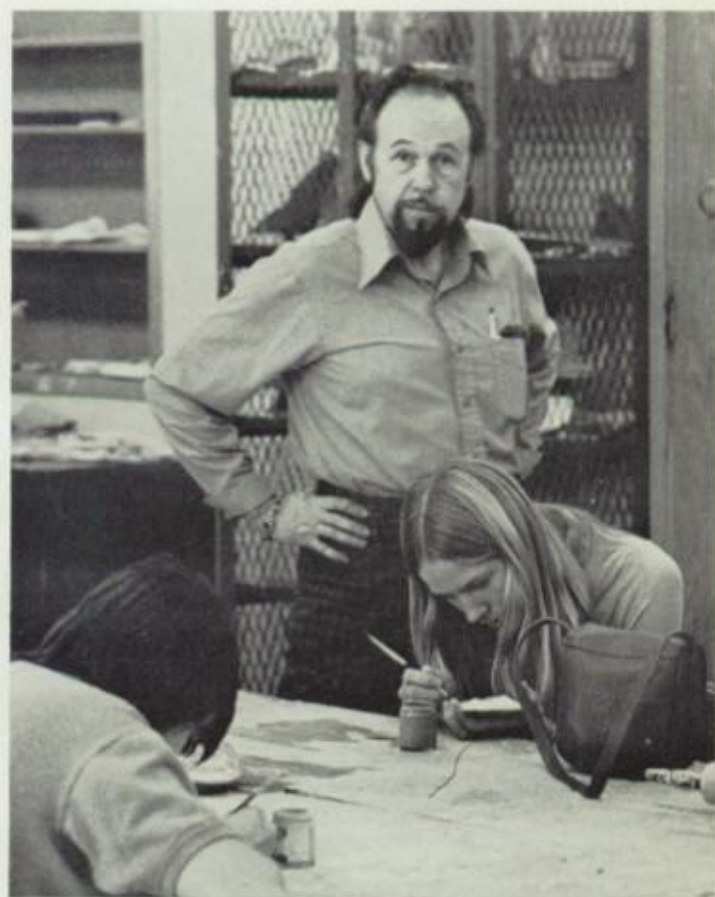

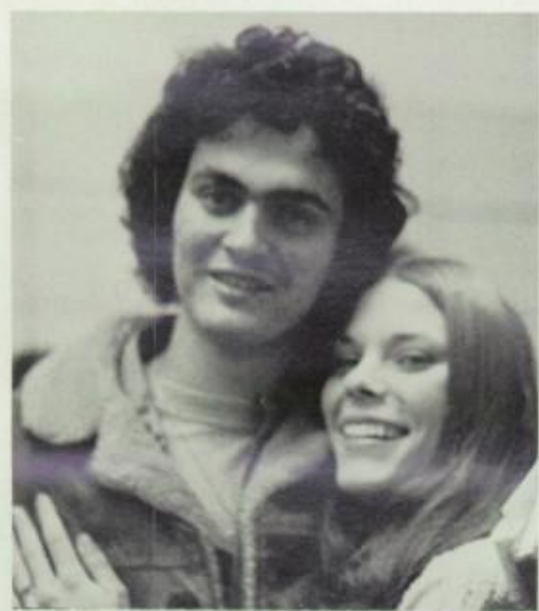

Makin' friends for the world to see,
Let the people know you've got what you need.
With a friend at hand you will see the light.
If your friends are there then everything's all right.

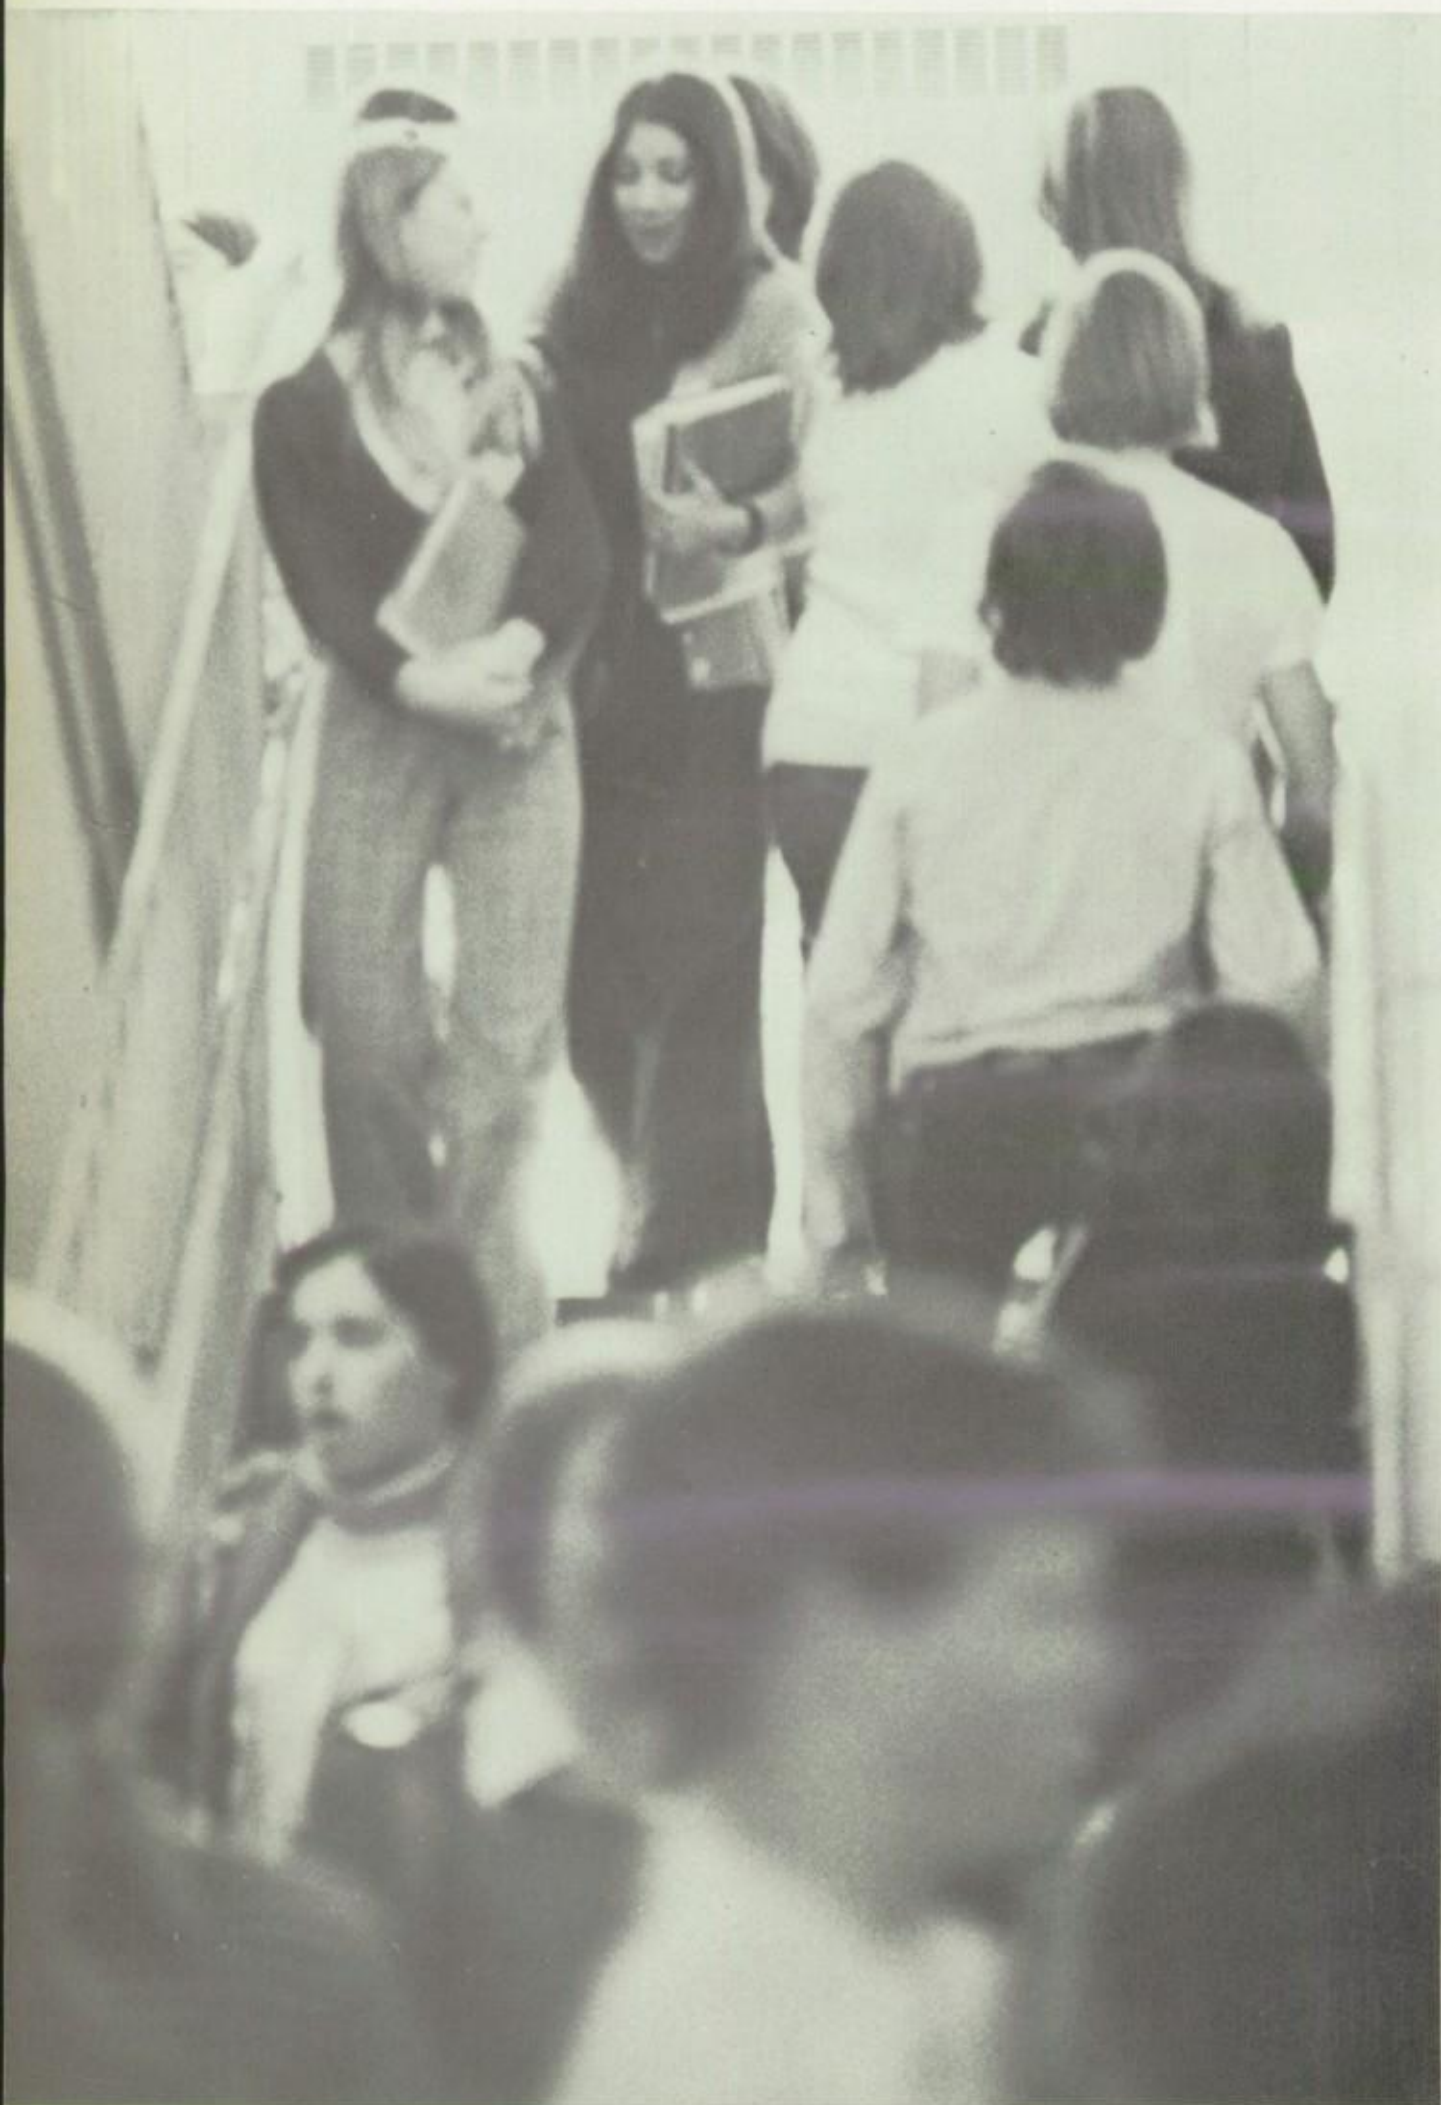

Take care and Good Luck Always from the Class of '75.

For all of our friends it will be a sad moment when the place that has kept us together for so long is no longer a binding force between us. For all of us it is another end and another beginning.
